WHERE YOU LEAD, BUSINESS FOLLOWS

NPFMA's primary focus is education and professional development for facility managers. We have a scholarship fund and a partnership with Pro FM, which is a credentialing program for FMs. Pro FM is rated higher than the IFMA program and LVCVA is but one of our members implementing this program, with great success, for their FM staff.

NPFMA's second priority is community outreach and charitable giving. We have a variety of events and functions throughout the year that benefit only local charities; including our annual golf tournament benefiting Camp Cartwheel, Volunteer Day at Three Square as well as our annual "Fill the Bus" campaign collaboration with CIS of Nevada.
